Louvre Panel Baskets & Dividers Chrome & Stainless Steel Wire

These Baskets are ideal for storing consumables, sterile products PPE and other protection equipment, instruments and other goods. Can attach to wall using louvre panels or hooks, sit on bench/table or on shelving unit.

These Wire Baskets are manufactured with high quality chrome and stainless steel wire which ensure a high quality and durable basket. Dust and lint falls through the wire to keep products clean and dust free, reducing the need for constant cleaning.

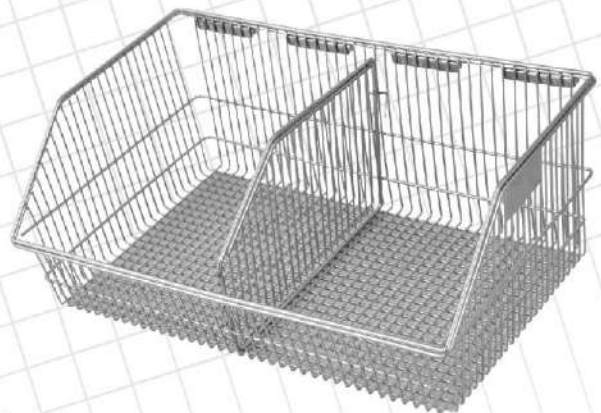

Our Chrome & Stainless Steel wire baskets feature a unique soft edge design which are ideal for any medical facility, removing any harsh edges, therefore, won't damage equipment, sterile stock or tubing placed in the baskets and reduces potential hazards to employees.
